MATCH
EXECUTIVE SEARCH & SELECTION

NON-DISCLOSURE AGREEMENT

We appreciate your interest in the employment opportunity presented by Match Executive on behalf of our client. To protect the sensitive information associated with this opportunity, we ask that you carefully review and adhere to the following confidentiality obligations until such time as the search becomes public:

1. The identity of the Client will be disclosed to you contingent upon your agreement to maintain strict confidentiality regarding the name of the Client. This includes all information, whether communicated orally or in writing, pertaining to the Client's organisation, business, financial data provided by Match Executive or the Client, and details regarding the discussed role or any position offered by the Client. This obligation extends to encompass the terms of any prospective or actual offer.

2. You are prohibited from discussing or disclosing any aspect of this mandate or information received in connection with the Client to any third party unless explicit written authorisation is provided by Match Executive.

3. Recognizing that monetary damages may be insufficient in addressing any breach of this Non-Disclosure Agreement and that such breach could cause irreparable harm to the Client, you acknowledge that, in the event of any breach or threatened breach of this Non-Disclosure Agreement, the Client is entitled to equitable relief. This includes, but is not limited to, injunctive relief and specific performance. These remedies are not exclusive and will be in addition to all other remedies available at law or equity to the Client.

Match Executive Pledges:

1. Match Executive commits to not disclose to any party, except our existing Client in this search or other clients where we have been engaged, that you are potentially interested in alternative employment, and not to disclose that you are under consideration for this or any other role, unless expressly authorized by you in writing.

2. We further commit to not disclosing any information from our conversations into the public domain.

Thank you for your interest in our current mandate.

Kind Regards,

nlewis
